REROOF AMERICA CONTRACTORS

Roofing Oklahoma since 1979

Choosing a roofer is a big decision. Here's who we are, and why Oklahoma homeowners have trusted us for 47 years.

Who we are

Reroof America has been replacing roofs since 1979. We're family-owned: J.R. Emrich founded the company and still runs it. We're headquartered here in Oklahoma, with our office in Edmond, and we've replaced over 12,000 roofs in this state.

Our credentials

- Oklahoma roofing registration #80000385.
- GAF Master Elite. Only the top 2% of roofers in the country earn it.
- Licensed and insured. Ask for our certificate of insurance anytime.

Recognized by the people who know roofs

- GAF President's Club, GAF's recognition for a select few Master Elite contractors, for excellence in performance, reliability and service.
- GAF Triple Excellence Award.
- CertainTeed Select ShingleMaster and Owens Corning Preferred Contractor.
- Insurance companies refer homeowners to us as one of the contractors they've vetted and trust.

The warranty we offer

We offer our Liberty Elite warranty: 25 years on workmanship and a lifetime on materials. Because GAF backs it, your warranty survives even if we're ever gone.

How we work

- Every job has a foreman and supervisor on site.
- If we cause damage, we fix it.
- We come back a year after your install to check on it.
- We tell about one in three homeowners they don't need a new roof.

The people behind your roof

From the office to the roof, this is who shows up for you.

What our customers say

"Excellent experience from start to finish. The crew was professional, showed up on time, and completed our roof replacement quickly and cleanly. The new roof looks great. Fair pricing and clear communication throughout. Highly recommend!"

Matt B., Google review ★★★★★

"Tyler did a fantastic job from start to finish! Coordinating my schedule and needs, especially. Roofing install crew was very professional and did a great job with clean up."

Patti R., Google review ★★★★★

"Hail damage necessitated us needing a new roof, including gutters, downspouts, new vents, etc. in other words, the works. I highly recommend Re-Roof America. Not only did they complete the job in a timely fashion with high quality craftsmanship, they took us under their wing to make sure we received everything necessary to accomplish the job correctly and completely. They worked with our insurance provider and guided us throughout the negotiating process. In short, they were complete! I highly recommend Re-Roof America."

Pete H., Google review ★★★★★

"Working with Reroof America (Cameron Lee) has been a great experience. Timely Customer communication and high quality work clearly deserve a 5 Star Ranking. Cameron has effectively guided our Roof Replacement Project (Estimate, Insurance Contact & Roof Selection). We love the look of the new roof!"

TMT Homeowner, Google review ★★★★★

"Cameron's communication and follow up was above what I was expecting from a roofing company. Also the attention to detail was appreciated concerning cleanup since our house is on the market. Definitely would recommend!"

Sarah B., Google review ★★★★★

"Tyler came out to inspect our roof recently since we were in the possible impact area of the September 24th hail storm. He was honest with us and said there wasn't enough damage to justify filing a claim and that our roof still had plenty of life left. Really appreciated the honesty and not being pressured into something we didn't need."

Jake B., Google review ★★★★★

"Tyler came out to check my roof after the recent hail in Guthrie since there were reports of really large hail in our area. This is my first house, so I wasn't really sure what to look for. He inspected everything and let me know the roof didn't have any damage and was in great shape. Really appreciated the honesty and peace of mind."

Blake S., Google review ★★★★★

"Tyler was very professional and helpful. He was very knowledgeable and informative about the insurance process and made helped simplify the entire process."

Trent B., Google review ★★★★★

"I needed someone to come check my roof. My rep Cameron was professional and knowledgeable. He answered all my questions with honesty and integrity."

Jennifer K., Google review ★★★★★

Come see us

Our office is at 13816 N Lincoln Blvd in Edmond, open Monday to Friday, 8 to 5.
